Are you finally putting away your kid's winter gear? Hooray! If you are getting rid of stuff that your family has outgrown, please send it our way for the Winter Outdoor clothes resale! Only outdoor gear coats, mittens, hats, snowpants, and boots!!

Registration for Toddler Time Fall 2016 is now open! Are you signed up? Do you have friends or family who would be interested! So much fun!! And we still have room in our afternoon preschool class- the Seahorses!

We are so lucky to have such great landlords in LEUCC. They are very flexible with us and we so appreciate it. Over the years, they have expressed some concerns, which we share, about kids playing in the parking lot area: kids climbing on the brick wall or the tree, dirt chunks or snow being thrown in their main entrance area, and kids very close to a very active parking lot.

Therefore, we are asking that all MGNS families to make departure as quick and easy as you can. If your kids would like to play together, there is a park right down Buckeye called Quaker Park. There is also Lake Edge Park on Dempsey between our school and Cottage Grove Road. Maybe parents can make plans to meet there after school each day. We agree with the church concerns that the small patch of grass outside our windows is not the best option for active springtime play
