Meet Your New Best Friend...OLIVER

We at MGNS would like to introduce you to Oliver....**Oliver's Labels** that is! Summer is just around the corner and with summer comes team sports, crowded pool locker rooms and parks filled to the brim with little ones. Make your summer transition a little smoother with the help of Oliver's Labels! They are easy as 1...2...3...and attach as quickly as applying a sticker; but unlike a traditional label they are going to stay put through long days at the pool, the washing machine and even the dish washer! These labels attach to anything and everything you can imagine....they even work perfect on your child's soccer ball and t-ball glove! Now with even more designs to pick from, your child can choose their own label and make identifying their belongings easier than ever! Don't get stuck in the Lost and Found this summer...invest in Oliver's Labels today! You will help your school and your sanity all in one swoop! www.Oliverslabels.com/mgns

For those of you sticking with us for the next school year, please check your brown bags soon for a reenrollment packet which will include paperwork needed for next year.

Year End Picnic

The annual end of the year event takes place on the last day of school. Teachers, parents and their child, the whole family if you like, meet at The Dream Park in Monona. We all stay to play, laugh, talk and reminisce about the school year. Parents or caregivers are responsible for their child so parents and caregivers must stay the whole time. We spread out blankets and have a picnic lunch/snack (each family brings their own). It is a happy way to say good bye.
