**We need your help!** Some MGNS parents and teachers are investigating the possibility of MGNS starting a private, play based kindergarten. Could you help us by taking a quick survey? Even if your child will not be in kindergarten for some time, please give us your feedback, thoughts and ideas. If you are not at all interested, please take survey and tell us that! THANKS!

**THANK YOU!**

Thank you to everyone who participated in our fall fundraisers. Our Butter Braid Sale was one of the best we have ever had—we raised over 2,000.

Don't forget that Oliver's Labels and Snack Taxi are year-long fundraisers!

These would make a great gift for those hard to buy for people on your holiday shopping list! And remember winter gear will be out in full force soon and Oliver's Labels will help your kids and teachers make sure that all the right items stay with the right kids. Direct links to all of our fundraisers are on our website-[www.mgns.org](http://www.mgns.org)

**Thanks** to everyone who came to our Meet Greet and Eat event. A special shout out to Theresa Bentler who is our Board of Director Event Coordinator for all of her hard work on the event!

We are getting to the time of year when inclement weather may cancel school. Monona Grove Nursery School closes when Madison Public Schools close. Please watch your TV or Radio for school closings and watch for the Madison Public Schools. If MGNS is not closed, please use your own discretion when the weather is bad. Don't travel if you don't feel safe!

Our parent coop bulletin board is available to all coop members to advertise home businesses, things for sale, playgroups, babysitters, and carools, whatever....

## Meet this month's featured MGNS BOARD MEMBER!!!

Hi! My name is Maureen Treichel and I am the Vice President this year at MGNS. My daughter Sloane started out in Toddler Time last year and this year she is in the Penguin class and loving it!

I have been a stay at home mom for the past 3 years (I also have a 14 month old daughter Blythe) but am slowing transitioning back into the working world as a realtor, which is both exciting and challenging. I have always had a passion for real estate and am looking forward to turning my hobby into a career.

In my "free" time I enjoy running, biking, reading and cooking. I competed in a number of running races this year, including my first triathlon (and it will hopefully not be my last)!

As the Vice President I am responsible for securing a speaker for the January Parent Meeting, attend board meetings and assist in the decision making for MGNS, and fill board positions for the following year. I am thrilled to be part of MGNS for the next few years!

## Helpful Hints from the Staff

We have had some issues with parents being late to pick up their kids at school, or from Lunch Bunch. Please be respectful of our teacher's time and know that they have other duties and jobs to do. Our pick up time for the am class is 11:45, and for lunch bunch is 12:45 and for the pm class is 3:45. Please be there a couple of minutes early to ensure that you are there for the class dismissal.

Please label all coats, sweaters, mittens, hats, backpacks, and anything else your child brings to school. Show your child where the labels are placed so they can find their own things easily. *Remember Oliver's Labels is a year long fundraiser....*

There are lots of families dropping off and picking up at our school and our parking lots can get crowded. If you are only bringing one kiddo, and can easily walk up the hill, please think about parking on the street.

Please be sure you are our partners in teaching kids how to get dressed by themselves. We also teach them to flip their coat over their head. It would really help if you could encourage them to try this at home. We help them here, but after they give it a good try!

Here is a YouTube video to show you the Preschool Flip- (aka The Dive and Flip, or Tags to Toes) <http://www.youtube.com/watch?v=nqw0-gplqhc>
