

# Why Choose Us?

***Parents facing choices about their child's 4K education have a lot of options. We hope that you choose Monona Grove Nursery School for your 4K experience. Here is why:***

*\*Our 4K classes are play based, with a significant amount of time each day spent in guided exploration of our room.*

*\*We have a maximum class size of 18 kids with 2 MGNS teachers. This is a much lower ratio than in many public school 4K programs. In addition, we are a parent coop, so most days we have three adults in the classroom working with kids.*

*\*We are a small, gentle, loving school with 50 years of experience with young children. We honor and respect each child's individual needs and interests.*

*\*Our school is a 5 star in the Youngstar program, city accredited, and state licensed.*

*\*While we are a MMSD 4K site, we have a lot of 4K kids enrolled from surrounding districts through the process of open enrollment. Your 4K experience at MGNS would be free!!*
