

Monona Grove Nursery School

4200 Buckeye Road · Madison, Wisconsin 53716

August 1, 2021

Hello MGNS Families.

On behalf of all the MGNS board and staff, I first want to thank you for choosing MGNS for your kids this fall. We are looking forward to meeting them and getting to know them. We all wish that we were done with the pandemic- but we are not.

On advice of Dane County Madison Public Health, and following the lead of the Madison Public School district, we will be requiring masks for all people in our building this fall, except kiddos in Toddler Time under three.

In addition, we are requiring that all adults who spend an extended time in our classrooms this fall are vaccinated for the COVID 19 virus. That includes helping parent duties, Toddler Time parents and guardians, and folks working on a volunteer duty. Proof of vaccination will be required.

And please remember - I am always available for any conversations and questions- on zoom, on the phone, via email. And your teachers are also 100% accessible to you. In addition, our board president (Kathryn Mingione - kpmingione@gmail.com) is happy to discuss any issues of concern with you. Please do reach out if you have questions or if you need help with anything!

Thank you so much,

Sue Carr

MGNS School Director
