ALL ABOUT TODDLER TIME!

If you don't already know and love our toddler program, here are the answers to all the basic questions.

- Who?** Children ages 0 to 3 years old, with their caregivers. One adult may be accompanied by a maximum of two children; children under 12 months of age are free of charge when accompanied by a toddler-aged sibling.
- What?** Toddler Time starts each day with teacher-guided free play and an art project, followed by a snack time and a story time. (Note: MGNS will provide a dry snack for your child/children, but parents should bring a drink, if desired.)
- When?** Toddler Time meets for up to two hours in the morning every day of the week (Monday through Friday) over two sessions: one in the fall, and one in the winter/spring. (See the registration form for more details.)
- When you complete the registration form, please indicate a first, second, and third choice for the day of the week.
- Where?** Toddler Time meets right inside Monona Grove Nursery School, which is housed at Lake Edge Church (4200 Buckeye Road) in Madison.
- Why?** Toddler Time is intended to be a gentle introduction to the preschool environment, an opportunity for toddlers to learn and play without having to separate from their parents and caregivers. The program offers a chance for parents and caregivers to socialize with one another too.
- How?** When you're ready to sign up, simply return the registration form with payment to MGNS. **Please note that space is limited, and spots in each class will only be held once the registration form and the complete session payment have been received.** (Contact the school director to make alternative payment arrangements.)
- How much?** Rates vary according to the class schedule and are based on the number of class days, class hours, and school closure dates. **Discounts apply!** If your child goes to more than one class per week, your second class is half off. Also, if you have siblings who attend the same class and need to pay, your second child is half off!

Please call (608) 222-4633 if you have other questions about this wonderful program!
